Mr. EHLERS. Mr. Speaker, on rollcall No. 768, I missed the vote due to cancellation of one airplane flight and mechanical problems requiring the delay of another flight. Had I been present, I would have voted "yea."

PERSONAL EXPLANATION

Mr. BEREUTER. Mr. Speaker, it was this Member's intent to vote "aye" on October 31, 1995, on H.R. 1905, the fiscal year 1996 Energy and Water Appropriation Conference Report. This Member was present and attempted to vote in favor of the conference report, but apparently for some technical reason the vote was not recorded.
